Limited 90 Day Warranty

Your new sewing, cutting, and/or steam machine includes a limited 90 day warranty.

The warranty is granted solely to the original purchaser.

This warranty does not cover transportation costs, postage, or the following normally expendable high mortality spare parts such as: needles, bobbins, belts, light bulbs, lamps, LED's, bobbin cases, rotating hooks, needle plates, feed dogs, oscillating shuttles, springs, needle bars, screws, blades, knives, take-up levers, or thread guides.

All parts other than those specified above that are proven defective by Apparel City at our option, will be repaired or replaced at no charge; provided said parts or the complete machine is returned transportation prepaid to Apparel City.

This limited warranty is in effect provided that your machine is used for normal sewing purposes and is given reasonable good care and lubrication in accordance with the instructions contained in your sewing machines instruction manual. Apparel City is not to be held responsible for damage, normal wear and tear, accidents, abuse, neglect, negligence, acts of God, or if the sewing machine has been worked on or repaired by any unqualified or unauthorized sewing machine dealer or technician.

This warranty is not transferable and extends only to the original purchaser when the sewing machine is purchased from Apparel City.

If necessary to obtain warranty service, your original sales receipt or a photocopy must be provided showing your date of purchase.

Motors are backed by a separate one year limited warranty.
